

BOCHK All Weather China Income Fund

June 2024

(As of 31 May 2024)

Important Information

- BOCHK All Weather China Income Fund (the "Sub-Fund") is a Sub-Fund of BOCHK Wealth Creation Series.
- The Sub-Fund is to provide income and capital growth over the medium and longer term primarily through active asset allocation in a portfolio of fixed income securities and equity securities in Mainland China, Hong Kong and Macau markets.
- Investment involves risks. The Sub-Fund involves significant risks including but not limited to market risk, concentration risk, currency risk, equity investment/volatility risk, small-capitalisation/mid-capitalisation companies risk, risks relating to debt securities, risks of investing convertible bonds, RMB currency risk/risks relating to RMB denominated securities, "Dim Sum" bond market risks, Mainland China market risk, emerging markets risk, risks relating to dynamic asset allocation strategy, risks associated with distribution out of capital, risks relating to hedging and the hedged classes, etc. Past performance is not indicative of future performance. Investors may not get back the full amount of capital invested.
- The Manager may at its discretion pay distribution out of, or effectively out of, capital of the Sub-Fund. Investors should note that the payment of distributions out of, or effective out of, capital represents a return or withdrawal of part of the amount the investors originally invested or from any capital gains attributable to that original investment. Any distributions involving payment of dividends out of, or effectively out of, capital of the Sub-Fund may result in an immediate reduction of the net asset value of the relevant classes of units.
- Investors should not solely rely on this document to make any investment decision. Please refer to the Explanatory Memorandum and the relevant appendix in detail (including the full text of risk factors stated therein) about the Sub-Fund. If you have any questions about the information of this document, please seek independent professional advice.

Investment Objective

***Payment of dividend is not guaranteed.** The Manager has the discretion as to whether or not to make any distribution of dividends, the frequency of distribution and the amount of distributions, subject to the SFC's prior approval and not less than one month's prior notice to affected Unitholders. The Manager may at its discretion pay distribution out of, or effectively out of, capital of the Sub-Fund. Investors should note that the payment of distributions out of, or effective out of capital represents a return or withdrawal of part of the amount the investors originally invested or from any capital gains attributable to that original investment. Any distributions involving payment of dividends out of, or effectively out of capital of the Sub-Fund may result in an immediate reduction of the net asset value of the relevant classes of Units. The information indicated above is for your reference only. Please refer to the "Distributions" section stated in the appendix of the Sub-Fund. The calculation method of annualised yield: $[(1 + \text{Distribution per Share} / \text{Price on Ex-date})^{\text{distribution frequency in a year}} - 1]$. A positive distribution yield does not imply a positive return. Investment involves risks. Past performance figures are not indicative of future performance.
